NOTES:
 This report compares what percentage of items are actionable or usable from the initial CANS to the most recent CANS from the past year.
 A positive number in the "% Change" column indicates improvement - in other words, fewer actionable needs or more usable strengths over time.
 Formula: (initial % actionable - most recent % actionable)/(initial % actionable). We multiplied by -1 for Overall % Change in Strengths.
 Because it is impossible to divide by zero, a "." (without quotation marks) in the "% Change" column indicates an undefined number.

CRITERIA:
 This report reflects youth for whom we have received two or more total CANS, with most recent CANS from July 1, 2013 through June 30, 2014.
 Youth for whom we have not received CANS since June 30, 2013 have been excluded from this report.
 Agencies with more clients offer more reliable information about overall % change.

YOUTH NAME – CYCIS ID

Actionable Item Comparison Initial and Most Recent Outpatient Therapy CANS

Initial OT CANS by THERAPIST NAME on April 3, 2012 (Type: New)
 Most recent OT CANS by THERAPIST NAME on October 24, 2013 (569 days later, Type: Interim)

Actionable items are rated 2 or 3; Usable strengths are rated 0 or 1.
Outpatient Therapy CANS through June 30, 2014.

CANS received after June 30, 2014 and CANS that are pending due to missing or incomplete information will not be reflected.

C.J.	XXXXXXXX	N			August 29, 2011 August 27, 2012 March 12, 2013

NOTES:

This report includes all cases on which a CANS was submitted since January 1, 2012. This report may include CANS that were submitted before January 1, 2012 if any CANS were submitted for that case between January 1, 2012 and June 30, 2014.

This report also may include cases that are closed.

CANS received after June 30, 2014 and CANS that are pending due to missing or incomplete information will not be reflected.

CANS completed before June 30, 2014 that are not reflected on this report require follow-up from therapist.

Please contact Jessica Ellis for follow-up at jessica.ellis@northwestern.edu or 312.908.3055.

Please do not email any child-specific information due to HIPAA regulations.
